Warwick Le Crystal syncs with the spirit of Montreal

ROCHELLE LASH

The dazzling downtown Warwick Le Crystal-Montréal has new owners, a fresh identity and a powerful international connection, with a loyalty program valid around the world.

On the pivotal corner of de la Montagne St. and René-Lévesque Blvd., Warwick Le Crystal-Montréal merits top marks for its airy, avant-garde structure, contemporary designer decor and all-suite configuration, especially the five extraordinary penthouse apartments.

The glamorous lobby shimmers with ultramodern chandeliers and metallic accents. The suites are filled with natural light glowing through floor-to-ceiling windows.

windows.

The 12th floor is an impressive wellness heaven with dramatic city views and comprehensive facilities including Éléments
Maison de Beauté, plus an indoor saltwater pool and sauna, a fitness centre and a rare feature downtown — a large outdoor terrace with a hot tub, sun loungers and heat lamps for year-round

Imagine pre-dinner drinks on your private party patio, a bachelorette party at the spa or business travel with high-calibre meeting spaces and long-term conveniences. Family gatherings are made easy with cribs and cots, as well as sofa beds in some suites and free stays for ages 13 and younger.

Warwick Le Crystal-Montréal is a great base for Montreal's

downtown action. It's one block from shopping along Ste-Catherine St. and one of the closest hotels (250 metres) to the Bell Centre. The Montreal Canadiens play the Chicago Blackhawks on Oct. 14, the Minnesota Wild on Oct. 17 and the Washington Capitals on Oct. 21.

The Bell Centre's pop program includes Enrique Iglesias, Pitbull and Ricky Martin on Oct. 20, Shania Twain on Oct. 25, P!nk on Nov. 1 and 2, Mariah Carey Christmas on Nov. 29 and Madonna on Jan. 18 and 20. The Cirque du Soleil Crystal — the name Crystal is a serendipitous link — will light up the holidays with extreme ice-skating and acrobatics from Dec. 21-31.

New owner: Recently purchased by Warwick Hotels and Resorts, the first Warwick in Canada has joined a prestigious family of more 40 hotels and resorts in major destinations, including New York City, Qatar, Fiji, London and Paris, with Toronto in the planning.

"We are excited to be in Montreal," said Clare Chiu, vice-pres-

ident of Warwick Hotels and Resorts, a local resident and member of the board of trustees of the Montreal Museum of Fine Arts.

"The city's diversity and dynamism are in sync with Warwick's culture. The head office is in Paris and we are multicultural and multilingual, with a large presence in the United States and on five continents.

"Le Crystal now has all-new management and a new ethos, reflecting Warwick's expertise. And the company is family-owned, so our values stay consistent."

Flexible luxe: Warwick Le Crystal-Montréal is a big draw for many types of travellers. Staycations here are handy and good value. Ask about an autumn special with up to 20 per cent off through December.

You can customize your level of luxury. Some suites have fireplaces, terraces, two bathrooms and soaking tubs in addition to separate rain showers and bidets. They all have Bose speakers, desks and kitchenettes or kitchens.

VIP guests — especially Grand Prix teams and Bell Centre performers — like the penthouse suites' sky-high privacy, spacious terraces, handy kitchens and dining areas, all perfect for entertaining. Penthouse Sainte-Catherine, Penthouse Crescent and Penthouse de la Montagne are lofty aeries with views of Mount Royal. Penthouse Drummond has two terraces and an eye-catching rotunda-style living room overlooking downtown.

The hotel also is a single stop for a rejuvenating spa-cation that could include a beauty marathon. Éléments Maison de Beauté offers massages, body scrubs, facials and mani-pedis, as well as advanced anti-aging and rejuvenation procedures using microdermabrasion, microcurrents or laser.

Food and drink: The Thai restaurant Siam Centre-Ville is connected to the hotel, but is owned independently. The hectic lunch scene features a special that includes soup or salad and coffee, and offers wine at \$9. It's extra-busy for pre-show dining
